Introduction

TxBitcoin Ai – The All-in-One Solution for Content, Reach, and Revenue

TxBitcoin Ai is the ultimate platform for agencies and website operators, offering professional tools for content creation, social media growth, and sales optimization. It facilitates outreach on platforms like Twitch, TikTok, Facebook, YouTube, Binance Square, CoinMarketCap Community, Medium, and more, enabling efficient content promotion and revenue maximization through a unified, powerful.

Mission

The core mission of TxBitcoin Ai is to promote token and coin projects to enhance their recognition in society. With this platform, users can easily create license-free images and content for social media, effectively engaging their target audience and boosting their online presence.

New: TxBitcoin Ai Lottery

The newly launched TxBitcoin Ai Lottery (available at txbitcoin.me/play2earn) offers an exciting way to earn rewards while enjoying a Play-to-Earn experience. Explore the diverse features of TxBitcoin Ai and take your projects to the next level!

LIQUIDITY

Every transaction contributes to the token's liquidity. Upon purchase, 1% of the transaction value is added directly to PancakeSwap liquidity. Additionally, for every sale, 1% of the transaction value is allocated to the liquidity pool, ensuring stability and sustainability for the token.

MARKETING

To support the growth and visibility of the token, a 1% marketing fee is applied to every sale transaction. This fee funds the marketing department, enabling continuous promotion and outreach efforts to enhance the token's recognition and adoption.

HOW TO BUY TXBITCOIN Ai

TxBitcoin Ai operates on the **BSC Network**. Follow these steps to purchase:

1) MetaMask Wallet - Download MetaMask: <https://metamask.io/download>.
